

Imagine being a part of every story at Children's Therapy Center!

If you're the kind of business leader who wants to invest in families in your community and make a powerful difference in the lives of your clients and customers, then a partnership with CTC is a great fit for you.

Did you know that in Washington State, an estimated 16% of children are born with a delay or disability? Chances are that you or your employees know of someone who has a child with Autism Spectrum Disorder (ASD), Down syndrome, spina bifida or muscular dystrophy, or a learning disability.

Each year, Children's Therapy Center helps over 3,000 children reach their unique potential. But we can't do it without help from our community! From Seattle to Olympia, from the Sound to the Cascades, we partner with businesses like yours to transform lives.
